Reading Specialists LLC ([www.rsots.com](http://www.rsots.com)) is seeking an experienced fee for service clinician for our outpatient program. We are looking for a dedicated, interactive, flexible clinician that demonstrates initiative and has experience working with sex offenders. Travel is required to our location in Lancaster. This person will provide clinical services as part of a specialized team that provides outpatient treatment for adults that have a history of problematic sexual behaviors. Responsibilities include but not limited to: completing clinical risk and needs assessments, providing individual and group therapy for service recipients, completion of documentation meeting clinical and state requirements. The successful applicant will be able to work both independently and as part of the larger clinical, and administrative team. The minimum educational requirements are M.S. Psychology or other related field, the minimum work experience is two years. Please apply via fax cover memo, resume to attention: PRACTICE MANAGER, 610-372-8807.
